

INTERNSHIP OFFER LETTER

Date: 6 July 2026

To,

ABDUL SAMI UTHWAL

Dear ABDUL SAMI UTHWAL ,

We are pleased to offer you a position as a AI Engineering intern at Devforge.

Congratulations on being selected to join our internship program. This Program is designed to provide you with practical, project-based learning and help you develop the technical and professional skills required for a successful career in AI Engineering.

Internship Program	:	Artificial Intelligence Engineer
Mode	:	Remote
Duration	:	2 Months
Start Date	:	5 July 2026
End Date	:	5 September 2026

During this internship, you will work on real-world projects Build real-world AI applications while learning Python, Machine Learning, NLP, LLMs, FastAPI, AI Agents, and AI model deployment.

You will submit your work through the Devforge Internship Portal, receive regular feedback from mentors, participate in live workshops, track your progress, and build a strong GitHub portfolio throughout the program.

Expectations

As an intern, you are expected to actively participate in the program, complete assignments within the given deadlines, attend scheduled workshops and mentoring sessions, maintain professional conduct, and submit original work throughout the internship.

Benefits

By the end of this internship, you will receive a verified Internship Completion Certificate, an Internship Letter, a Student Performance Report, and a professional GitHub portfolio.

We are excited to welcome you to the Devforge community and look forward to supporting your learning journey.

We wish you a successful and rewarding internship experience.

Sincerely,

.....
